Så när könnar webb3?

A

Siri

Så när kommer web3?

The image features a dense, three-dimensional network of glowing blue cubes. Each cube is connected to several others by thin, dark lines, creating a complex web-like structure. The cubes vary in size and are positioned at different depths, giving a sense of perspective. A large, prominent cube is in the foreground, slightly to the right of the center, with a bright blue light source inside it. Other cubes are scattered throughout the frame, some appearing smaller and further away. The overall lighting is a deep blue, with the cubes themselves acting as light sources, casting a soft glow. The background is dark, making the glowing cubes stand out.
